

VanCura Ballet Conservatory

The Official School of Ballet Tennessee

In a positive learning environment, VBC fosters a love of dance and its discipline. As the official school of Ballet Tennessee, its mission is to develop strong classical ballet technique; to offer quality training in related dance idioms; and to develop artistry in all students.

The Company

Ballet Tennessee is a regional dance company composed of professional dancers and dedicated professional-track students. Based in Chattanooga since 1987, the company is committed to providing the community with high caliber dance in performance and instruction to people of all ages, races, abilities, and economic backgrounds.

Youth and Junior Ensembles

The ensembles are an introductory performing opportunity for Junior and Teen Division students. The Ensembles appear in company productions and perform in the Spring Festival of Dance.

Dance Alive & Talent Identification Program

In programs such as Dance Alive, Talent Identification Program, Outreach Classes, and Artist-Residencies at local schools, dance is the tool by which children learn skills such as confidence, respect, concentration, self-discipline, and focus.
